To benefit GiGi's Playhouse Down Syndrome Achievement Center SWFL

Our Mission and Impact

GiGi's Playhouse Down Syndrome Achievement Centers are changing the way the world views people with Down syndrome. We provide FREE educational programs, tutoring, therapies, and activities for individuals with Down syndrome, and their families, from pre-natal diagnosis to senior citizens! MIRACLES happen at GiGi's Playhouse!

The i have a voice Gala is our largest annual fundraiser and the key to providing us with the ability to impact more families and expand our #GenerationG message of ACCEPTANCE!

You can be a true hero in the lives of children and adults with Down syndrome by supporting our 2024 Gala. It is only through the generosity of our supporters that more individuals will learn reading and math, improve their health and wellness, develop career skills, and live to reach their true potential.

Best of all, 100% of donations stay local to support our families across Southwest Florida.

This is how your money makes a difference...

\$5,000

- A donation of \$5,000 will fund 9 more students from ages 3 and up to receive free one-on-one speech therapy for a 15-week session. Speech therapy is often not covered by insurance and if so, waiting lists are long. Speech therapy is paramount to fostering greater self-confidence, comprehension, problem-solving, school readiness, social skills, independence, and overall quality of life.
- \$5,000 will also help to fund 12 weeks of GiGiFit for 10 participants! GiGiFIT helps build strength, endurance, power, joint stability, balance, movement control, and confidence.

\$2500

- A donation of \$2500 will fund 10 students to receive free one-on-one literacy tutoring. The ability to read opens doors for individuals with Down syndrome in the workplace, schools, and the community.
- A donation of \$2500 will also provide 12 weeks of GiGi's Kitchen for 5 students that promotes healthy eating habits, kitchen safety awareness, food preparation skills, self-confidence, and social skills by applying learned skills as they prepare and enjoy a shared meal or snack.

\$1,000

- A donation of \$1,000 will provide 6-10 celebration packages for new families with special gifts and information on Down syndrome and GiGi's Playhouse activities, programs, and ways to connect. Too often, families do not hear "Congratulations" upon the birth of their child with Down syndrome, these celebration packages provide the encouragement, support, and resources new families need.
- \$1,000 will also support our drop-in programs!
 - LMNOP is a drop-in program that is interactive, engaging, and designed to guide parents and young children, ages newborn to 36 months, through learning basic sign language and other forms of communication using music and language-based activities.
 - Another drop-in program is Teen Tastic that focuses on building social skills with friends with and without Down syndrome by participating in team-based activities in a casual and fun setting. Skill development includes understanding compromise, turn-taking and problem-solving abilities. Recommended for 13 – 17year-olds. Fantastic Friends is a fun night out to facilitate social interactions between adults with Down syndrome, their peers, and the community. Supports the development of social skills and language through peer-to-peer interaction in a casual and fun setting. All adults welcome from ages 18 and up.

\$500

A donation of \$500 will support a community awareness event for new families, volunteers and/or prospective

- donors to show people what the Playhouse is all about and the impact it makes on families, volunteers and community members.

Our programs are FREE to our families but not free to administer so we rely heavily on our volunteers to run

- programs, help with administrative tasks, clean and everything in between. We would not exist without volunteer support and love to show our gratitude through volunteer appreciation events and gifts.

\$100

\$100 will help us provide mission critical ongoing school, office, kitchen, cleaning, and gym supplies, as well as food

- for program snacks, baby wipes, and outreach marketing materials.
