If you DO have a Microsoft account, but you are using an alternative email for your My GiGi's account, then choose the "use another account" option so it won't automatically sign you into your other Microsoft account!

6.) Follow the prompts by creating a password, entering your Birthday, and country of origin.

7.) Then you will see the following screen asking you to enter the code sent to you in a verification email from Microsoft. Go back into your email in **a second tab**, to retrieve the code. (You do not want to close this tab, as you will have to start over!) Open the email from Microsoft to see the code, and then go back to the login screen in your first tab and enter it.

8.) Then you must solve a puzzle to prove you are not a robot. Once you do this, you may be asked to enter your password one more time. If so, do it again. Then you will be asked if you want to stay signed in. *If you choose YES, you won't have to login every time you participate in a program.*

Registering for a Program

1.) Once you have created this My GiGi's account, you can register for programs on our <u>Virtual</u> <u>Playhouse Calendar page</u>, or through the link on your account homepage seen below.

To sign up for this program you must register at the beginning of the session. The calendar will not allow you to register for this program if it has already begun. Our enrollment-based programs are: GiGiFIT, GiGi's Kitchen, 1-1 Literacy Tutoring, & 1-1 Math Tutoring. To find out more about any of our programs, <u>please visit our website</u>.

3.) Click "Register."

4.) You will be promoted to select who in your household are attending and what type of participant they are.

5.) You will then be prompted to choose which dates for that program you would like to attend. Choose however many you want!
