Walk Bear Song

Have a little walk bear, walk bear, walk bear,
Have a little walk bear, walk bear, walk

And that bear came to a big tree and he wanted to climb up the tree, up the tree
Have a little climb bear, climb bear, climb bear,
Have a little climb bear, climb bear, climb

And when he got to the top of the tree, he wanted to look around, look around
Have a little look bear, look bear, look bear,
Have a little look bear look bear look

And what did he find? He found a bee's house and inside the house was some honey,
Have a little taste bear, taste bear, taste bear,
Have a little taste bear, taste bear, taste

But guess who came home? The bee!
And that bee stung that bear right on the nose. OUCH!

Have a little sting bear, sting bear. sting bear,
Have a little sting, bear, sting bear, sting

That poor bear, let's give his nose a kiss.
Have a little kiss bear, kiss bear, kiss bear,
Have a little kiss bear, kiss bear kiss

That bear wanted to get down from that tree as fast as he could.
Have a little climb bear, climb bear, climb bear
Have a little climb bear, climb bear climb

Have a little walk bear, walk bear, walk bear,
Have a little walk bear, walk bear, walk

That bear was SO tired. He wanted to go to sleep
Have a little sleep bear, sleep bear, sleep bear
Have a little sleep bear, sleep bear sleep

Snoring sound...
Wake Up!
