

GiGi's Playhouse 1-on-1 Math Tutoring program incorporates TouchMath materials. Touchmath is a multisensory teaching and learning program designed to improve student math comprehension and mastery. TouchMath has offered to provide these materials free during this time. We share these materials with you, confident they will help your student make progress. The TouchMath skills align with the Purposeful Progressions we work on every tutoring session.

Sign up for these FREE tools from TouchMath:

Free & downloadable workbooks found **HERE!** <https://www2.touchmath.com/resources-for-parents-caregivers/>

These videos are available from TouchMath to help parents learn how to these materials. Please feel free to contact your GiGi's Playhouse if you need additional assistance.
