5K attracts record numbers!!

Over one thousand people came out to support our Third Annual Down Syndrome Awareness 5k Fun Run 1 Mile Walk!! The total acceptance and support was incredible! The race may have seemed like a celebration for children with Down syndrome, but what this celebration did for the siblings, parents and extended family goes far beyond words. Pride, inspiration and determination seemed to be fueling this event (with lots of love, laughter, and tears mixed in!!)

Congratulations!!

Sarah Bak, age 6, won the award for reading the most pages during "T.V. free week" at Abraham Lincoln school in Glen Ellyn.

Sarah, who is in kindergarten, read over 1,200 pages! Only four other students in the school, all 4th and 5th graders, read more than 1,000 pages!! We are so proud of you Sarah!!!!

Christine Maxwell, 29 with Down syndrome, is ready for high fives after completing her first 5k!! She has been training with the GiGi's Playhouse "Couch to 5k" program for 12 weeks!! Christine Maxwell and Rudy Geilim (father of Max 5 years old with Down syndrome) are two of the faithful that met the challenge and crossed the finish line with the rest of the crowd. Way to go Christine and Rudy. Your hard work and determination has allowed both of you to accomplish your goal to finish a 5K!!! Thank you to Gayle Gianopulos, Jim Czarniak & Mimi Hills for leading this awesome training program!

Calvin, 16 with Down syndrome, flew through the 5k like it was nothing!!! He is in great shape and runs under a nine minute mile!!

The GiGi's Playhouse FREE "Learn to Read" Literacy program will be starting it's summer schedule on June 12. The most significant change for the summer schedule includes small group reading/teaching vs. individual sessions. The small groups will meet on a weekly basis.

This will accommodate more kids and will allow for flexibility with vacations. If you are interested in the literacy program, please call Shari at the Playhouse. 847-885-PLAY.

Remember!! All funds raised from the 5k went to the literacy program. Which teaches reading and promotes Down syndrome awareness!!

There is something for everyone at GiGi's Playhouse!

Down syndrome research!

Dr. Susan Daley collected urine samples at the Playhouse from children with Down syndrome and their siblings. The samples will allow her to conduct a study to better understand some of the abnormalities in the metabolism in Down syndrome and help understand some of the more debilitating aspects of this syndrome. We had a steady flow of participants all day!! Thank you to all of you who participated and to Dr. Daley for heading up this much needed research for our kids.

The Daley family at the Playhouse

It's not too late to participate!! If you have an appointment at Children's Memorial Hospital in the next six months please consider taking part in this research study. Please contact Gayle at gaylegio@yahoo.com for more information.

The 5k was a huge success thanks to dedicated volunteers!

Goody bag stuffers, sign holders, watering station, games, activities, photography, trainers, registration, stuffing envelopes etc... no job was too small or under appreciated. We had sibling, extended families, teachers, professionals and the list goes on. Thank you for taking the time to help us and for seeing the potential in our children! We couldn't have done it without you!!!!
