## A Message from GiGi and the National Office...

DEAR FRIENDS,  
THANK YOU FOR GIGI'S PLAYHOUSE.  
I LEARN TO READ, DO MATH, CHEERLEADING,  
MEET NEW FRIENDS AND PLAY.  
Jessica is my BFF!  
LOVE  
GiGi

What she didn't write here (but would have if I let her!) are the things that she tells me everyday, "I want to be a teenager, I want my license, I want to go to college, I want a job". She watches all of her favorite Disney stars

progress in life and she wants to be on that same path. She gives 100% to everything she does, but no matter how hard she tries she will still be judged by people because she wears her diagnosis on her face. Did you know that 3 out of 4 kids with special needs will be bullied? The worst part is 80% of people will stand by and let it happen. Yes, 80% (www.cnn.com). What is GiGi's doing to change this? Our national awareness campaigns and our educational programming are a catalyst for change by giving a voice to our kids, our siblings, our families, and or communities, which in turn will give a voice to anyone with a disability.

We are able to do all of these things because of people like you who support the Playhouse. Building the infrastructure to support such growth has been a challenge but our 2012 plan is full of initiatives, projects and deliverables that will ensure our success and the success of our many Playhouses to come! With that comes the

success of the children and families served by the Playhouses.

Down syndrome is the largest chromosomal disorder, yet we are the least funded. By helping individuals with Down syndrome reach their potential, we are laying the ground work for acceptance – not only for our kids but for everyone. One Playhouse, one community, one child at a time. Thank you for helping us make this happen!

**Over a million** people across the country have viewed the i have a voice Traveling Gallery.

- + **Thousands of kids** with Down syndrome are participating in our educational programs.
- + **Hundreds** of siblings are joining forces to show the world the potential in their sibling.
- + **Multiple** GiGi's billboards are up around the country eradicating stereotypes.
- + **THREE** new Playhouses opened around the country this year.
- + **The FIRST** International Playhouse is getting ready to open in Mexico.

### Equals=

An **INFINITE** number of perceptions changed, kids being educated, communities and countries opening their hearts and minds, kids with Down syndrome being included and a better world for us all!

Read on to learn how your local GiGi's Playhouse is changing lives daily in your community!

We would definitely consider this a "year of growth" for our little Playhouse that could! We have 20 families in our New Family Group. We rolled out new Programs like our Signing & Yoga Classes, Language Group, Latino Group, 2 and Under Skill Builders, Gage the Therapy Dog, and our Dad's Group! We continued with our Open Plays, Teen Tastic, Friday Friends, Music Therapy, Story & Craft Time, and Playhouse Pals! WHEW!!!

There is something for everyone at our Playhouse! We invite Families to bring along grandparents, cousins, aunts & uncles, neighbors and friends to enjoy Fun & Awareness to any Playhouse event!

We have successfully completed 3 Literacy Tutoring Sessions with over 40 Learners. In addition to the Literacy 1-on-1 tutoring we have 22 Learners in our Sight Word Program.

"The combination of the literacy program and sight word program has allowed Carsten to keep up with his peers in reading."

We were featured on KCCI News promoting Advocacy with stories and commercials. The Des Moines Register ran stories featuring our Playhouse and the positive impact we have on our community. Dr William Howard from Mercy Pediatrics, hosted a Grand Rounds Educational Session on Down syndrome that had a huge response from medical staff. The auditorium was packed, and the message all of them received included the work we are doing at GiGi's! The Governor of Iowa declared August 27, 2011 Down syndrome Awareness Day in an official proclamation! We celebrated with our 5k run, Up for Down Walk and our Golf Tourney! We have 4 billboards up in the greater Des Moines area featuring local children with Down syndrome. The message is simple.... "i have a voice! Help me share it with the world!" We are partnering with several colleges and physician groups to get our future professionals engaged and excited about our future.

**-Henry David Thoreau**

Looking to the future of 2012 we expect to see more growth in many ways! We have laid out some goals for the Playhouse and with your help we can achieve them!

- **Math Program:** We expect to be trained and ready to start tutoring students of all ages in math by the end of 2012. We will acquire all the materials and training needed.
- **Make more technology available** at the Playhouse including iPads, more computers, and software, etc. This will allow students and parents to explore universally designed solutions for instructional, behavioral and social skill development.
- **Place “New Parent” Binders & Books in Hospitals** across Central Iowa. We are working to get these binders out to every new family at the time of birth & diagnosis to start their learning and help to answer any questions. Along with letting them know all of the programs and people available at GiGi's Playhouse to help them.
- **Create and launch the “i have a voice” Iowa Gallery** featuring Iowans with Down syndrome. This Gallery will be displayed in malls, fairs, hospitals, libraries, churches and any other venue.
- **Implement the ‘Circles Paradigm’** to teach people with disabilities appropriate social boundaries and levels of trust in the community.

**“Nothing is Impossible; the word itself is I'm Possible!”**

**-Audrey Hepburn**

To continue this rate of growth we need YOU!! Please continue to support GiGi's Playhouse-Des Moines anyway you can...donate, volunteer, spread the word, have your company become a corporate sponsor, attend our events, programs and fundraisers!
