

# For Mom & Dad

Dear Parents,  
It is never too soon to teach our children  
**ACCEPTANCE** of those who are different!

Kids with Down syndrome are KIDS first!  
They feel, love, play, laugh, learn, and have  
fun just like other kids, but do it at their own  
pace!

**GiGi's Playhouse- Down Syndrome Achievement Centers** are all about achievement, belief and confidence. Serving children and adults of all ages, Playhouses across the country offer over 30 different educational and therapeutic programs, at no charge to families. All programs aim to maximize self-confidence and empower individuals to achieve their greatest potential. Founded by GiGi's Mom in 2003 as a single location in Hoffman Estates, IL, GiGi's Playhouse has grown into a strong network of 50+ Playhouses, including the first international Playhouse in Queretaro, Mexico.
