Thank You!

Not many would have written a script for the last 12 months that would resemble what the world has endured during this time. At GiGi's Playhouse Madison, we have seen many changes that have impacted how we connect with our participants and families and how we engage our volunteers.

The technology that is available to us today is a game changer. Although not our preferred approach for engagement, it does allow us to continue to come together as a community, and to offer so many group programs, learning opportunities, and one-on-one tutoring.

My time as Board President will conclude on December 31st, 2020. It has been a rewarding time for me personally, and I couldn't be more pleased to be handing the president's reins over to Julie Byrnes. Julie has already made a significant impact on the GiGi's Madison community during her time on the board, and as a staff member. There are many great things ahead.

Generation G Pledge - Be accepting. Be generous. Be kind. Sounds simple, doesn't it? Let's all take some time to reflect and see how following the GiGi's Generation G Pledge can change the world. If we all join in, I believe we can change the world, and I will do my part.

I pledge to: Be accepting. Be generous. Be kind.

All the best,

Bill Henry
Board President
