GiGi's Playhouse Madison is a 501(c)(3) non-profit organization serving the Down syndrome community. GiGi's is committed to helping individuals with Down syndrome achieve their "Best of All" through research-based programs that promote skill development, personal growth and independence. From prenatal diagnosis through adulthood, GiGi's is here to celebrate every milestone.

Down syndrome is the most common chromosomal anomaly in our country and simultaneously, the least funded. We are seeking partnerships with local businesses in Southern Wisconsin to help us continue to provide top-notch therapeutic, educational and social programming.

All programs, resources and support offered by GiGi's are provided at no cost to participants and their families. GiGi's firmly adheres to the philosophy that cost should never be a barrier to success.

Friends of GiGi's is our annual sponsorship program. As a Friend's of GiGi's sponsor, we will recognize you throughout the year and share your amazing commitment to, support of and belief in individuals with Down syndrome, with the community.
