Champion | Partner | Invest | Achieve

GiGi's Playhouse Madison is a 501(c)(3) non-profit organization serving the Down syndrome community. GiGi's is committed to helping individuals with Down syndrome achieve their "Best of All" through research-based programs that promote skill development, personal growth and independence. From prenatal diagnosis through adulthood, GiGi's is here to celebrate every milestone.

Down syndrome is the most common chromosomal anomaly in our country and simultaneously, the least funded. We are seeking partnerships with local businesses in Southern Wisconsin to help us continue to provide top-notch therapeutic, educational and social programming.

All programs, resources and support offered by GiGi's are provided at no cost to participants and their families. GiGi's firmly adheres to the philosophy that cost should never be a barrier to success.

Friends of GiGi's is our annual sponsorship program. As a Friend's of GiGi's sponsor, we will recognize you throughout the year and share your amazing commitment to, support of and belief in individuals with Down syndrome, with the community.

OUR COMMUNITY

Programs are 99% volunteer-run; our trained volunteers give, on average, over 660 hours per month

Participants check in 5,100+ times and spend about 7,000 hours at the Playhouse, annually

“I can't say enough great stuff about this program and the people working and volunteering. This has transformed my sister's life. After high school there's much less programming for people with Down Syndrome. But GiGi's has filled that void in my sister's life. I can't thank them enough. And as a caregiver, I've made friendships with fellow caregivers, mostly parents and siblings. I'm so grateful for what this has done for our family. My sister has a new sense of self and autonomy because of this fantastic programming.”
