

Down Syndrome Achievement Centers
educate. inspire. believe.

GiGi's Playhouse is the ONLY international network of Down Syndrome Achievement Centers created to provide FREE life-changing therapeutic and educational programs for children, the community. With over 30 locations and growing, GiGi's makes a lifetime commitment to support and empower families from diagnosis to adulthood, build confidence and send a global message of acceptance for all.

For more information go to www.gigisplayhouse.org

WHAT IS JEANS FOR GENES?

Down syndrome occurs when there is a third copy of the 21st chromosome! To honor these unique genetics host a Jeans for Gene's day! For one day only employees can pay \$5 to wear jeans to work! Send us a picture of everyone rocking their best blues and we will post on our Facebook page with a shout out to your company!

THE IMPACT

If just 50 employees participate you will fund one participant through five 1:1 therapeutic and educational sessions.

Literacy, math and speech are just some of the vital programs that we offer for FREE to families at GiGi's Playhouse.

WHY IT MATTERS

"At his bowling league on Tuesday a friend of ours was telling us that she can really understand Mitchell so much better lately. His speech and the way he makes eye contact and speaks with his head up has really made a difference. So grateful to you. You have been the best therapist and inspiration to Mitch his entire life."
