Why Your Sponsorship Matters

Your sponsorship does more than support a celebration, it puts your values into action. Sponsorship ensures GiGi's Playhouse Milwaukee can continue providing **FREE educational, therapeutic, and career development programs** for individuals with Down syndrome and their families throughout the year.

This event is where impact is visible. Sponsors are part of a joyful, inclusive experience—connecting directly with GiGi's families, volunteers, and community partners while celebrating progress, possibility, and belonging. World Down Syndrome Day is globally recognized, and GiGi's Playhouse Milwaukee is a trusted, community-funded organization—making this a powerful opportunity for meaningful alignment.

When businesses and families invest in this event, they help remove barriers, expand access, and strengthen a community where every individual is seen, supported, and celebrated. Because acceptance, opportunity, and belonging should never come with a price tag.
