GiGi's Playhouse Nashville exists to change the way the world sees Down syndrome, offering free therapeutic and educational programs for individuals with Down syndrome, their families, and the middle Tennessee community. This mission is made possible each year by generous individuals and companies who give of their time, talents, and treasures to support these free programs and who share our belief in the value and worth of our friends with Down syndrome.

**GiGi's annual golf tournament is a critically important fundraiser to support these programs for families in middle Tennessee, and we would be deeply grateful for your partnership in this year's tournament!** This will be our 9<sup>th</sup> year and will take place for the first time at Vanderbilt Legends Club, a beautiful, award-winning golf course right here in middle Tennessee. This tournament regularly sells out, with 128 golfers and dozens of companies expected for food, drinks, and a fantastic day on the course.

Would you consider sponsoring this important event or joining us on the course? The money that is raised will go directly towards empowering children and adults with Down syndrome, providing a supportive community and resources for families, and changing the way that the world sees Down syndrome for the better. Every dollar of your support matters and makes a profound difference.

Thank you in advance for your kindness and consideration, and feel free to reach out with any questions. Your generosity can truly transform lives.

Gratefully yours,
