

#GenerationG

A conscious decision to be better every day.

Be Accepting. Be Generous. Be Kind.

Help raise awareness for Down syndrome, GiGi's Playhouse Wausau, and create a more accepting, generous, and kind world for everyone. Gather your family and friends and use the below image to create a 2D or even a 3D project with the GenerationG heart being the foundation/focus. All finished projects can be dropped off throughout the month of October, at the Playhouse. Projects will be put together to create a community mural on October 28th!

Down Syndrome Achievement Centers
educate. inspire. believe.
